

## Iron Man: Civil War Mk 46 Playing Cards (Paper)

Become the Invincible Iron Man.

Suit up and feel the technology wrapping around your hands. A truly stunning piece of collection that is sure to amaze everyone!

### Dual Design Features

Introducing a dual back design that suits whatever the occasion is! A sleek black border for style or a vibrant hot red border for some flares!

### The Civil War Begins...

Inspired by the blockbuster film Captain America: Civil War, this deck features a meticulously tailored armor in red, gold, and silver color scheme with foiling and an arc reactor.

### Initiating Counter Measures...

Every curve and contour of the box has been meticulously sculpted to capture the MK 46 dynamic designs, as Tony prepares to join into action with his arc reactors at the ready.

### I Love You 3000...

You have the power to illuminate this arc reactor with the classic color – a brilliant Blue that evokes the energy of Iron Man's suit.
