

## Infinite Cube by Tora Magic

The magician shows a small empty envelope to the audience, and then the magician magically makes 10 Rubik's appear from inside the envelope. Isn't that amazing?!

- The magician can show the envelope as empty in any part of the display.
- The execution angle of this item is 360 degrees.
- This item comes with 10 Rubik's, instruction card, gimmicks and a special packaging box.
- Envelope size: 14\*7\*13.5
