

Gift Box - 2 Decks and UV LAMP

The idea was to give card tricks more expression. The result was: GLOW. The special and unique thing about this deck is that it partially glows in the dark under UV-light.

Be one of the first to enchant your audience in a completely new, impressive and magical way!

BACK DESIGN

The card deck impresses especially with the GLOW effect, which is created by UV-light. Both the back and the front are refined with two luminous colors. You can look forward to little surprising effects.

THE FACES

The figures are unique and gain their full appearance under UV light. This fascinates the viewer and surprises the customer. The number cards are also provided with a large symbol in the middle to ensure that they are special.

Packaged in an attractive gift box, designed in the look of the card game, you get everything you need for your magic tricks right away. **It contains 2 decks of cards and a UV-flashlight.**
