

Freedom of Birds

The performer shows a printed poster of bird in a cage. He then folds the poster in half and produces a square cage from inside the fold of the poster. Finally he unfolds the poster. It is seen that the poster contains the picture of a bird flying.

- Great impact, easy to do and with a nice ethic message.
- The open poster measures cm 44,5 x 34,5 (17,5" x 13,6"). The cage measures cm 15 (5,9") on each side and is cm 17,5 (6,9") tall.
