

## **Zombie silk - 64 cm (25,2 inches) - Professional**

This cloth is perfect for the Zombie Ball routine. It's the best available!

The cloth has a double layer to allow the magician to perform even with back lighting, without the secret being exposed. However it is still very light, soft smooth and shiny.

Simply wonderful!

- The cloth measures about cm 65 x 65 (25,6" x 25,6").
