

Sleeve Bouquet - Cloth - 12 blooms

The magician enters the stage and positions himself in the centre of it. He holds in his hand a scarf that will help him in the opening of the performance. He shows both sides of it, gently touches it and, an instant later, the audience will see a colorful cloth bouquet of flowers appear. The magician can then receive his deserved applauses.

The silk used in the video is regular and not supplied.

- Easy to do.
- The bouquet is made up of 12 blooms and is cm 38 long (14,9 inches).
