

Fancy Cube by Tora Magic (new version)

One of the most trendy trick is out! Fancy Cube is the most fascinating cube prop that your eyes will ever caption.

Magician shows an empty mystery bag with a magical sign of red circle on then place a red cube in a bag then out of sudden the color of both cube and magic circle bag changes to same match colors!

This mystic process repeated couple time and at each time the color of circle sign and cube magically get match to the same color, WE ARE SHOCKED!
