

E=MC² by Nemo Liu & Hanson Chien

“This is what real magic should look like.” – Yif

Change a bill into ANYTHING...at the speed of light. E=MC² is the ultimate bill transfiguration gimmick that can be used for: Transpositions, Vanishes, Changes.

Inside the package, your durable, waterresistant P-TEX® gimmick does 100% of the work for you. Each package contains multiple currencies to customize your gimmick. You'll get EVERYTHING:

- US DOLLAR.
- UK POUND.
- EURO.
- CHINESE RENMINBI.
- JAPANESE YEN.
- DIFFERENT LANGUAGE RECEIPTS.

Whether it's for shows, socialmedia or the streets, E=MC² will deliver an unparalleled change at light speed... squared! The end result is a phenomenal visual that looks like camera tricks, but isn't!

- The instructions are supplied through a practical download video link. They are in English, but easily understandable by anybody thanks to the clear video.
