

Deckamorphosis / Cell-Out renewed by Joker Magic

A deck of cards held in the magician's hand transforms in into some money in a second!

It can also: change its color, become a small bottle of beverage, some candy or a bunch of business cards, etc. A deck of cards transforms into any small sized object!

Cell-out has been renewed! One of best seller trick - Cell-out/Phone from deck - continues as Deckamorphosis from now on.

- The trick is highly effective for promotional purposes.
- The objects appeared can be immediately used and examined.
