

## Confetti Wand - With Confetti

The magician shakes a wand and, magically, a fantastic snow of colorful confetti will fill the stage!

- The use of this wand is ideal as a climax to end performances. The snow with confetti will leave an indelible memory in the spectators.
- We supply the magic wand, made of plastic, 35.7 cm long (14,76") and with a diameter of 2 cm (0,78"). We also supply a package with 30 packets of confetti.
