

Climax Wand - Silver confetti

The magician waves a magic wand and creates a beautiful snowstorm of confetti that fills the stage.

- We supply 6 special magic wands made from cardboard. They are each 40cm (15,7") long and with a diameter of 3cm (1,18").
- The use of these wands is ideal as a climax to end your shows. The beautiful confetti shower will leave an indelible memory in the minds of the spectators.
- Each wand is usable for one performance (even though afterwards they can be used differently). A nice commercial idea could be to place your sticker on the wands and give them out as gifts at the end of your show (especially at children's parties).
