

Mentalism Change Bag - Net

Made in plastic and with extremely transparent cloth, which allows you to see the objects inside the bag. Ideal to switch paper slips, coins, cards, etc.

For example, you show a bag which contains dozens of pieces of paper, each one of them with the name of a different and famous person, written on it. You show some of them.

Then, any member of the audience freely takes one of those pieces of paper, and the name written in it matches the one previously written in a prediction.

- Very easy to perform. Ideal for mentalism, corporate shows, etc.
