

CardMaCon Playing Cards

CardMaCon is India's First and Biggest Cardistry Magic Convention, in its endeavour to support and grow this wonderful artform in the country, hosted and powered by Magic Encarta.

These decks were made to be given away to all the attendees at the event which was hosted on 8th & 9th April, 2023 and now we are offering part of the remaining stock to the general public!

A vibrant geometric design that looks good in cardistry and magic with its eye catching design!

CARD STOCK & FINISH:

Printed on 320 GSM black core Italian paper with coating sourced from USA, this smooth finish deck handles exceptionally well and gets better with usage!

TUCK BOX:

Printed with 3 different finishes on a single tuck box, with a combination of Matte, Spot UV & Shimmer, the tuck design pops and reflects light vividly at different angles and also makes parts of the tuck box shimmer and sparkle under direct light.
