

Sitta Card Blendo - King of Clubs

The magician asks a spectator to select a card. He then tries to find it, but for three times fails completely. He then throws the wrong cards and the rest of the deck into a bag. The cards then disappear and the bag magically changes into a giant cloth with the chosen card on it.

A simple but astounding trick!

- The cloth measure about 58 x 58 cm.
- This is Sitta item and the quality is very nice.
- You will receive the special cloth and the instructions. The playing cards are not supplied as you can simply use your own.
- In the video, the effect is shown, but the value of the card is the one shown in the photo.
