

Bicycle Starlight Lunar Playing Cards - Special Limited Print Run

The Starlight Lunar deck was originally released June, 2016 and sold out within 30 days. This re-print has a limited print run of 2376 decks and a Special Limited Print Run Seal. Get one now before they are all gone once again!

The fourth edition in the Starlight collection comes Bicycle Starlight Lunar! The moon is a very symbolic object so we decided that it needed its own deck in this highly popular series.

- Produced by CPC and printed by USPCC.
- Bicycle branded.
- 100% hand drawn artwork and custom pips.
- Custom seal.
- Air-Cushion finish.

The mystical twilight of blues and purples swirl around the bright spherical moon. It is a stunning glow that pierces through against the pitch black backdrop.

The courts and numbered cards are a bright white light that sit on a cratered background. All the cards stay true to the original Starlight design. To add to the mystique and differentiate from the different pips we added a red glow to the hearts and diamonds.
