

Bicycle - Poker Deck - Green back

New pantone color, all the more beautiful!

You can use these cards for color changing effects, but you can also use them as an ordinary deck. Naturally also the case is green.

- The quality of the cards is usual top quality of Bicycle decks.
- The deck is poker size and is enriched by the addition of 1 Joker and 3 special cards: the first with a blank face, the second is a double back green and the third is a double back green/yellow.
