

Cohort Blue Playing Cards

There is little to say about these beautiful cards... once you will have them in hand it will be yourself to highly praise them!

Printed on new luxury pressed E7 stock in a vibrant blue, this is the crushed stock deck you've been waiting for!

The deck has the addition of being a marked deck, so it has a powerful extra gear!

Watch the video, in English but understandable thanks to the video images, to appreciate the marking system. Easy, "visible" and immediate.

- Illusionist quality.
- The cards are poker size.
