

Bicycle - Jacquard Playing Cards

Bicycle Jacquard gets its design inspiration from complex, ornate patterns often woven into fabric resulting in beautiful displays. The Bicycle Jacquard tuck case features emerald green and silver foil details woven throughout creating a dazzling and dramatic appeal.

Just as Jacquard machines revolutionized Looms with their “chain of cards” operation, this premium deck of cards has been designed and manufactured with the same sophistication and innovative technology.

FEATURES

- Intricate woven design.
- Green and silver foil on tuck.
- Custom closure seal.
- Recolored standard faces with framing element.
