

## Billet Forcing Box

This ingenious box is ideal to force small paper slips (with on them for example a number, a word, or color to be forced). You can also force some small objects like little beads, poker chips, and more. The box will allow you many different uses. In the instructions some basic ideas are given, but we are sure you will find many other different applications!

- A must for any mentalist or magician.
- The box is made of wood and measures cm 14,5 (5,7") x 8 (3,14") x 9 (3,54").
