

Bicycle - Bored Ape Playing Cards

HODL your piece of Crypto history with Bicycle Bored Ape Playing Cards. Bored Ape #1227 is embossed on the tuck against a purple holographic background. With court cards featuring armor-clad apes and hidden bananas among the pips, you can bring the Yacht Club to your next game night.

HODL is a term that originated in the world of cryptocurrencies and is basically used to encourage others not to sell their digital coins, but to hold them for the long term.
