

The Return Of The Muleshoe Gambler by Paul Gordon

Paul Gordon's The Return of The Muleshoe Gambler

(with plastic wallet card). For the first time ever, this highly popular routine is back with a credit-card-size (in plastic) souvenir/crib card.

With standard sleights and a great story of the wild west, you can do this killer effect with any deck anywhere! Top-quality plastic credit card size souvenir/crib supplied and online video tutorial.
