

## Vanishing Cane - Metal

A classic of magic!

Show an elegant cane and, in a flash, transform it into a silk or many confetti.

- The cane is silver colour, and made of shiny steel.
- No maintenance of the cane is required.
- The spring is powerful for an instant disappearance.
- Silk is not included but can be purchased seperately.
- Professional: when closed, it's dimensions are very small.
- Great quality at an unbeatable price.
