

Mapez - Balloon Fun Box

The set that is in this colorful box, will allow you to explore the fantastic world of balloon sculptures. Inside you will find a packet of 50 modeling balloons (260), a pump, a poster and an instructional DVD in Italian and English language (the presence of the DVD video allows even those who do not speak English or Italian to easily learn the various sculptures). Thanks to the easy and clear instructions that are on the DVD, you will be able to learn 25 sculptures + 2 bonus sculptures in the comfort of your own home. The DVD is hosted by Mauro Pezzola (Mapez), who will accompany you step by step into the wonderful world of balloon sculptures!

- A great gift for anybody.
- The box measures 20,8 (8,2") x 26,9 (10,6") x 3,4 (1,3").
