## **Astro Sphere Mini**

A silver ball is covered with a transparent cloth. Magically it starts lo levitate. Then it misteriously moves around, behind and even in front of the cloth held by the magician.

The audience always loves this beautiful stage effect... and this version is even more incredible as the ball foats not only behind, but even in front of the cloth!

Excellent visual magic!

- Supplied is the cloth and silver ball. The ball has a diameter of cm 7,5 (2,95"), and the cloth measures cm 48 x 48 (18,9" x 18,9").
- The instruction are supplied as a practical video download. They are not spoken and completely visual (there are occasionally just a some simple English subtitles). This makes them very easy to follow regardless of the nationality of the buyer.
