The latest edition of our critically acclaimed Artisan Playing Cards: The White Edition.

Illustrated by Simon Frouws in South Africa. The design is breathtaking, featuring elegant gold foil hot stamped onto ultra-lux white paper derived from sustainable forests. Pure, clean, and beautiful!

David Copperfield called them "the best playing cards ever produced." With this new White Edition, we unveil a perfect complement to the original Black Edition.

Artisan Playing Cards are produced at The United States Playing Card Company using FSC-certified papers derived from sustainable forests, vegetable-based inks and starch-based laminates. The result is a durable finish that respects the environment. Sealed with a red tax-stamp sticker seal marked with the month and year of print.
