

Arrow Dynamix v3: Chinatown

This third edition of the Arrow Dynamix series comes decorated in hues reminiscent of traditional Lunar New Year colors.

Designed as always with Cardistry in mind, the arrows adorning the back and faces of these cards allow you to create stunning configurations for your favorite displays, as well as imbuing packet cuts with a sense of logic, flow, and direction.

In addition to 52 Arrow Dynamix playing cards, each set of Arrow Dynamix v3s also comes with a Pointers Card, two double-sided Spin Cards, and an Ad Card.

Printed by USPC on premium crushed stock.

- The cards are poker size.
