

Phantom Dice by Andrew

Materialization is a phenomenon that has always enchanted a magician's audience, in addition to messing with the imagination of everyone, both of children and adults!

What if you could perform the incredible magic of materialization anywhere and very close to your spectators?

Needless to say, success would be guaranteed, right?

With 'Phantom Dice' success is in your hands. With just one card, the drawing of a die materializes into a real die! It will be impossible for the spectators to contain their applause!

'Phantom Dice' will take your performance to another level! You can't miss it in your repertoire!
