

Appearing Car (Original by Julio Montoro)

SOLD OUT at the Blackpool magic convention 2023, this effect has been one of the newest Montoro's hit!

The performer shows a black cross on both sides. Therefore, he closes the cross and this action will lead to the composition of a small box. After a magical gesture, the performer drops the four sides of the little box and, instantly, a small toy car will appear!

You will receive everything ready to go, including:

- Special Gimmicked box.
- Perfect Toy Car that fits inside the box.
- Tutorial by Julio Montoro teaching the working system behind the effect.
