

## Pro Appearing Cane - Metal (silver)

A classic of magic!

Show a silk (or ribbons) and, in the blink of an eye, turn it into an elegant cane almost 1 meter long!!

Or simply make the cane appear from thin air for an unforgettable production!

- Great quality at an unbeatable price.
- No maintenance of the cane is required.
- The spring is powerful for an instant appearance.
- The cane is silver colour, and made of shiny steel.
- Silk is not included but can be purchased separately.
- Professional: when closed, it's dimensions are very small.
