

3D Flower Pot

The magician shows a board on which a vase with a dried plant is depicted. He turns the panel over and on the back is the magic word "Abracadabra". Then, he turns the panel with the vase facing the audience again and now, magically, the plant will be lush and flowering!

- Very suitable effect for an audience of children. Simple to do.
- The panel is made of cardboard and measures 29.3 x 20.2 cm.
