

## The Grifter by Peter Nardi

Get ready for **The Grifter**, Peter Nardi's thrilling take on Theo Deland's Pickitout, famously popularized by Michael Skinner's Ultimate 3 Card Monte. Peter has taken the classic effect (with full permission) and supercharged it, adding more phases and a captivating story-driven presentation that removes the usual challenge with the audience, making it fun and engaging for everyone involved.

Many magicians hailed Peter's narrative-driven version as the best version to date. Now, for the very first time, Peter unveils his complete five-phase routine using his personal version of gaffs, which differ from the standard U3CM gaffs.

Introducing **The Grifter**, a meticulously crafted sequence that crescendos to a mesmerizing climax, culminating in three cards that can be thoroughly examined by your audience.

What sets **The Grifter** apart is its captivating story. Unlike traditional 3 Card Monte routines, there are no moments where you challenge the spectator. Instead, they sit back, watch, enjoy, and of course, get fooled badly!

**The Grifter** is easy to perform, and with Peter's in-depth tuition, you'll be performing this classic in no time.

As an additional bonus, Peter shares his innovative "in the hands handling," allowing you to perform a 3 Card Monte without a table.

Everything you need to start performing is included in the box. **The Grifter** package features specially designed casino-backed gaffed cards, matching un-gaffed cards, a switch wallet, two prop \$100 bills, and Peter's comprehensive tutorial video.

With Peter's expert guidance, you'll master every nuance of the routine, ensuring that your performances are nothing short of magical. **The Grifter** is the definitive rendition of this classic effect that will leave your audience spellbound and of course after watching **The Grifter** no one will want to play cards with you!
