

## **Flashy (DVD and Gimmick) by SansMinds Creative Lab - DVD**

Just imagine how cool it is to have a phone vanish into the light right in between your hands.

Flashy is a safe and silent system to vanish your phone. The system has been tested by the SansMinds Creative Lab team all around the world. Once it is set up and you are ready to amaze anytime, anywhere. The system is created for fast reset which is perfect for strolling around.

Once you know the method you can change the phone into any other small object.
