

## **Tango Ultimate Reel (A0025) by Tango Magic**

Throughout the years top quality reels have been expensive and difficult, if not impossible, to obtain. Marcelo Insua a.k.a Mr. Tango has worked for years to examine the best attributes of past reels and combine those with brand new ideas and technology to bring you one of the best reels ever created to the magic market. The Tango Ultimate Reel, designed for working professionals, is high quality, affordable, dependable and designed for quick and easy adjustment or replacement of the thread. Never again will you have to get rid of your reel because the thread was cut and it will take only minutes to be fixed. T.U.R. was conceived as a reel to be used for many years.

The Tango Ultimate Reel comes with a link to a video that explains how to quickly and easily take apart the reel to replace the thread as well as instructions for visual and very commercial routines that you can perform in close up, parlor or stage magic.

Tango is a name associated with the highest quality craftsmanship, so if you are looking for a precision tooled, high quality, dependable yet affordable reel, you want the Tango Ultimate Reel (T.U.R.)
