

Split Dice 2 by Tora Magic

The magician shows a large blue die from each side and places it on a pedestal. He covers it with an elegant wooden lid. When the lid is taken off, the die has changed to red! This is repeated and the die becomes yellow! To finish, when the magician removes the lid for the third time, the yellow die will have changed into 8 smaller colored dice!

- Tora magic quality.
- A great effect for any kind of audience.
- Easy to perform and with a strong visual impact.
- The apparatus is made with care and has a good quality. The box/lid measures 12cm (30,48") x 11.5cm (29,21") x 12cm (30,48").
