

Floating Table - Economy - Silver

The magician looks at the table on the stage. Grab the corners of the silk that covers it, and after a moment of concentration, he slowly lift it and the table starts to fly. A spectator is called on stage to keep the other two corners of the silk and to see close the fly of the table. The audience will be amazed by this illusion!

- It can be disassembled completely.
- A stylish bag is supplied that measures 36 cm (l) x 11 (h) x 38 (w).
- The table is 75 cm high and the table top measures approximately 25 x 30,4 cm. The silk measures 65 cm per side.

NOTE - In the video the effect is shown, but the actual item you will receive is shown in the photo.
