

Pure Ball (Ungimmicked Ball Set Blue) by larvel Magic

The **Pure Ball** is a premium, non-magnetic ball designed for routines that require the use of high-quality, un-gimmicked props. With its identical design to the magnetic ball, the **Pure Ball** offers seamless integration into routines that involve both magnetic and non-magnetic props, allowing for effortless switching and substitution during performances.

KEY FEATURES:

- **HIGH QUALITY:** Crafted from durable, high-quality resin-the same material used for snooker balls-the Pure Balls are highly resistant to scratches and breakage, ensuring they maintain their pristine appearance even after extensive use.
- **NUMEROUS COLORS:** In addition to the classic black and white options, the Pure Balls are available in a wide array of colors, giving performers more choices to suit the aesthetic and thematic requirements of different routines.
- **PRECISION DESIGN:** The balls are carefully engineered to be lightweight enough for smooth handling yet heavy enough to provide stability and control during various routines, enhancing performance fluidity and reliability.

WHAT YOU WILL RECEIVE:
