## **INKLING** by Stephen Chan, Bond Lee, & MS Magic

## **Inkling**

, a revolution in magic.

From the genius mind of Stephen Chan, presented by Bond Lee & MS Magic. Inkling can make predictions visually and magically appear on a normal piece of paper, and at the end you can gift the paper to your audience as a magical souvenir.

Prediction, mind reading, transformations, and vanishes are all possible, the perfect tool for mentalism.

You can freely customize your own messages, images or words, and create endless powerful routines.

It's reliable, practical, create endless amazing routines and extremely powerful. So, what are you waiting for? Get your Inkling today.
