

# Luna Marked Flash Premium Cards by Electricks

## Luna Marked Flash Premium Cards

Introducing our premium quality paper Luna Cards.

We are setting a new standard in card handling and cardistry, meticulously crafted with the finesse of a magician and an unwavering commitment to excellence. Our decks are a magician's dream, delivering performance.

Crafted with precision at the pinnacle of card production, our cards ensure flawless shuffling, boast a discreet marking system for effortless tricks, and feature the captivating Luna design to mesmerize your audience.

The poker deck is equipped with a double back and blank face cards, enhancing versatility for performers. Plus, we're dedicated to expanding our lineup with a range of gimmicked cards tailored for popular magic routines.

## Casino Quality Cards

Wanted to learn cardistry, or just simple moves for your tricks? Our research team invested endless hours to find the best materials, you will feel the difference.

Crafted from the same high-quality 3-layered paper utilized by popular decks like Bicycle and Phoenix, our cards boast a remarkable Butta Finish™.
