

Real Low Silver Hopping Half by Tango Magic (D0207)

Real Low Silver Hopping Half by Tango Magic (Half Dollar and English Penny)

If you want to use silver coins, this is a great and affordable option, the half dollar coins from 1965 to 1969 were made with silver outside and copper inside, these are called Low Silver Coins.

This a Silver Hopping Half with the cheapest real silver coin available in half dollar.

As you know Hopping Half is one of the best sellers ever, just show 2 coins in your hand, one silver and one copper, take out one of the coins, close you hand and the coin going back into your hand, repeat this effect 3 times until make vanish the coins, super easy to do.

You get access to Tangopedia, a video gallery with the best Hopping Half tutorial and hundreds coin magic effects everything explained by Mr. Tango and his friends.

Tango Magic Quality.
