

My Opener Red (Blue Prediction Card) by Jean-Pierre Vallarino & Jordan Victoria

Kept secret for years, **My Opener** is the cleanest prediction card effect **Jean-Pierre Vallarino** and **Jordan Victoria** have imagined!

Take out a deck of card from its box and show that one card has a different back. Place this card inside of the box.

Have a card selected (no force, the spectator says stop at any time).

Take out the card from the box and show that it matches 100%!

Advantages

- No force. The spectator stops you when he wants to.
- The deck can be shuffled and examined. Several variations are taught in detail.
- The box can be shown before and after the effect.
- Reset in 3 seconds.
- The method is original, clever and very easy to learn.
- Gimmick in Bicycle Rider back.
- Available in red or blue.
