

## MUSICLOWNS by Magie Climax

The Musicclowns: the perfect trio for a successful show!The three **MUSICLOWNS** each have a trumpet horn and being perfect triplets, it's up to you or rather the children to guess which one is playing.

Start a monte routine and good luck to whoever manages to follow the musician one! Children will have a hard time finding the musician clown, but luckily you are always the master of the game, master of **MUSICLOWNS**.

- A real routine, easy to use.
- **MUSICLOWNS** help create the atmosphere, they trigger the participation and laughter of children (and parents!).
- The **MUSICLOWNS** are perfectly suited for the stage, height of the figures: 40cm.
- CLIMAX manufacturing
- Height of the figurines: about 40cm
- Clown hair colors according to availability: red, blue or yellow
- Written instructions in French and English.
- Very easy to do!
