

Bricked by Drew Perry

Introducing "Bricked" by Drew Perry - Where Magic Meets Lego®!

Get ready for something truly mesmerizing! "Bricked" is a one-of-a-kind project featuring a custom-designed deck of cards that looks like it's straight from the Lego® store. This deck isn't just visually stunning-it's packed with gaffs, special features, and surprises that will blow your audience away!

But here's where it gets even better: included in this magical package is a jaw-dropping Omni-style deck made entirely from bricks. Imagine finishing your routine with a finale that leaves your spectators speechless-this brick deck is the perfect match for your special cards!

In the tutorial, Drew Perry teams up with the legendary Craig Petty for an in-depth, fun-filled session. Together, they unlock a treasure trove of routines from Drew, Craig, and Peter Nardi.

"Bricked" is more than a magic trick-it's a captivating experience, perfect for both kids and adults alike. Whether you're performing for a family crowd or wowing a room full of adults, this project is versatile, unforgettable, and full of fun!
