

## **Magic Wand Business Card Holder by Hocus Pocus**

A fun new design for the magician in mind!

How do you display your business cards?

Probably a boring, plain jane stand...

**NOT ANYMORE!**

This is a fun new design to add onto your office desk or keep at your show to display your business cards!

Measuring 6 inches long and a business card slot of 3.75 inch. The bottom has a flat base to secure your business card holder and the recessed wand has a stand on the back for your business cards to be displayed perfectly!
