

Super Drink by Juan Pablo

The magician shows a handkerchief and when he blows on it the image of a drink magically appears... and instantly the image turns into a real drink and not just one drink, but a second drink magically appears! **Super Drink** is ideal to start a show with a very powerful visual effect and you can also use it in the middle of the show or at any time you prefer.

You can present it at meetings with friends or in bars in an informal as well as professional way.

This product includes the special handkerchief with the image of the drink and a gimmick that allows you to carry up to two drinks! The handkerchief is made of excellent quality fabric that never wrinkles, so you can use it as many times as you want, and it will always be impeccable.

The preparation of this trick takes 30 seconds, and it will be ready to be used. **Super Drink** can be presented both in a musical routine and for magicians who do parkour magic. This routine can be used in shows for children or in shows for adults and will always make a very strong impact.
