

Osprey Vintage - Pokerdeck

Featuring hand-drawn vintage style artwork throughout, this classic blue deck is printed by Legends PCC on their pre-crushed stock with classic finish and housed in a soft matte tuckbox printed on the inside with an all-over antique plaid pattern. Inspired by the majestic bird of the same name, the **Osprey No 2 Vintage Playing Cards** are a sight to behold.

The entire deck, including the faces, pips, indices, courts and back have been drawn from scratch. Together with **Goshawk Vintage Playing Cards** they form a blue and red two deck set that can be housed in our collectable tobacco tin for the perfect gift to yourself or a loved one.

Poker size. Standard style faces.
