

The Sandwich! Coin Set by Mario Lopez

The new creation of Mario Lopez, one of the most creative minds of the current magic scene. **Sandwich** is a solid routine perfect for close-up or parlor magic session.

A silver coin is placed between two copper coins and repeatedly vanishes without a trace. With the set of coins you can do this routine and many more effects, transpositions, incredible color changes ... more than an hour of tutorial where Mario explains how everything, in great detail.
