23 twisted items using cards, coins, flashlights, dog tags and more, including:

GOOGLE GUESSING: Memorise the internet - Gregory Wilson's favourite.

TRULY INVISIBLE DECK: Perform a version where the deck remains invisible throughout.

MOUTHY TRANSPOSITION: Do sleight-of-tongue with coins.

TAROT CRIB: Give quick personality readings without any memory work.

POP-IN: Get a coin inside a sealed Snapple bottle, with the safety button down.

All written in the entertaining style that made 'The Plot Thickens' so popular. It's time to get twisting.
