

Caterfly (Blue) by My Magical Project

Do you perform magic for children and find it challenging to present the classics with regular playing cards?

We offer you **Caterfly**, a simple, fun, and visual way to present the "Wild Card" trick using caterpillars that transform into beautiful butterflies!

With **Caterfly**, no more complicated cards for kids to remember.

Key points:

- Includes a magical card holder (deluxe).
- Specially printed cards by USPCC with Bicycle Rider Back design.
- Easy and advanced versions explained in both French and English.
