

Folding Top Hat with Secret Pocket - Stars

The magician shows both sides of a flat object that contains nothing. But, with a simple touch, it becomes the classic magician's hat. Then, from the inside he can produce silks, silk streamers, sponge items, spring flowers...

- It is finished with great care and with good quality materials. Open is 14 cm high (5,51"). Its inner diameter is 19 cm (7,48"), while the outer diameter is 33,5 cm (13,18"). The inside circumference is about 60 cm (23,62").
- This model, unlike other Top hats on the market, has a hidden false bottom that will allow you to produce items from it even after it has been shown empty. Production items are not included.
