

Phantom Mini by Rezi & Hide

From the mind of **Rezi Bakoevi**, an exquisite fusion of classic and contemporary illusion. A miniature portrait of the legendary Houdini mysteriously awakens, elegantly revealing your chosen card! This refined pocket marvel offers a touch of timeless wonder in the palm of your hand

- Best quality ever! (We spent 1 year on production process. You going to be surprised how good it is!)
- Fully customizable (you can change what Harry holds in his hand.)
- The size is the same as Polaroid photo 86x53mm.

Wrong Prediction Plot:

The spectator selects a card. You demonstrate that Houdini comes to life and pulls out a card, but it is incorrect. You wave your hand, and the wrong card transforms into the spectator's card.

Celebrity's Childhood: The spectator thinks of a celebrity, and you reveal a portrait of a star in your box, but it's Harry Houdini! Oops, wrong. But in Harry's hands, he holds a photograph of a child, and that child is the celebrity the spectator is thinking of! You wave a cloth and transform the child into Marilyn Monroe. F#CK routine the spectator chooses a card, and you say that the great Harry Houdini will guess his card! But instead, Harry shows the audience the middle finger! Everyone is shocked, the magician shakes his hand and on his middle finger appears the card that the spectator was thinking about!

Here's what you get:

- Specially prepared Polaroid picture of Harry Houdini.
- Envelope for transporting the gimmick.
- 3 different types of hands (playing card / Marilyn Monroe photo / middle finger).
- Everything you need for the changing effect.
- Detailed explanatory video.
